Learn Vedic Astrology

Improving the Quality and Reach of Vedic Education

American College

of Vedic Astrology™

The American College of Vedic Astrology™ (ACVA) is the leader in creating live and online Vedic instruction for learners around the globe.

Get Certified Enroll Today

www.acvaonline.org

ACVA Mission Statement

To improve the quality and reach of Jyotish through *a blend of on-line and live Vedic instruction*, certification programs, eNews, professional tutoring resources, along with webinars, conferences, and social media

ACVA Today

Today, ACVA offers a blend of live and online instruction in Vedic astrology for beginner and advanced certification levels, Master's classes, Vedic Astrology Coaching™ (VAC™) training, Jyotish Online Instructor™ (JOI™) training, live webinars, and international e-Seminars and live conferences. Join our online community on Facebook. *ACVA instruction is designed to run on any platform—desktops, laptops, tablets, and smartphones!*

ACVA Learning Models now offer different approaches to the ACVA certification program. Learners can complete their studies:

- 1) **Independent**—with any tutor or JOI instructor
- 2) **ACVA's traditional e-learning** -- online in a classroom interacting with an ACVA instructor and other learners around the globe

*Take the ACVA Online **exam** with a learning strategy that's **right for you!***

ACVA Certification Exams are offered live and online and can be taken anywhere in the world.
